Welcome to the United States. We have received your immigrant visa packet from the Port of Entry where you entered the United States. At the top of this notice you will see a very important number. It is your USCIS account number (A-number). This account number is very important to you. You will need it whenever you contact us. The receipt number shown above is simply a tracking number for your immigrant visa packet.

You should hear from us within 30 days from the date shown on this notice.
