The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application for Permanent Residence. A copy of this notice should be submitted with the application.

If the person for whom you are petitioning decides to apply for a visa outside the United States based on this petition, the petitioner should file Form I-824, Application for Action on an Approved Application or Petition, with this office to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
