WELCOME TO THE UNITED STATES OF AMERICA

This is to notify you that your application for permanent residence has been approved. It is with great pleasure that we welcome you to permanent resident status in the United States.

At the top of this notice you will see a very important number. It is your USCIS A# (A-number). This is your permanent resident account and file number. This permanent account number is very important to you. You will need it whenever you contact us.

We will soon mail you a new *Permanent Resident Card*. You should receive it within the next 3 weeks. You can use it to show your new status. When you receive your card you must carry it with you at all times if you are 18 or older. It is the law.

Please call us at (800) 375-5283 if any of the information about you shown above is incorrect, if you move before you receive your card, or if you don't receive your card within the next 3 weeks. If you call us, please have your A# and also the receipt number shown above available. The receipt number is a tracking number for your application.

Please read the notice that comes with your card. It will have important information about your card, about your status and responsibilities, and about permanent resident services available to you.

Your new card will expire two years from when you became a permanent resident. By law your resident status is conditional, and you must apply to remove those conditions before your card expires. You and your spouse are required to file a joint petition, Form I-751 (Petition to Remove the Conditions on Residence), in order to have the conditional basis of your status removed. Form I-751 must be filed during the ninety (90) days period immediately preceding the second anniversary of the date you were granted conditional permanent residence. **Failure to file Form I-751 will result in automatic termination of your conditional permanent resident status and you will be subject to removal proceedings.** When the time comes and you need filing information, or an application, or if you ever have other questions about permanent resident services available to you, just call our *National Customer Service Center* at 1-800-375-5283 or visit the USCIS website at www.uscis.gov. (If you are hearing impaired, the NCSC's TDD number is 1-800-767-1833.) The best days to call the NCSC are Tuesday through Friday.

Once again, welcome to the United States and congratulations on your permanent resident status.
